Chapter 2.13 of the Sacramento City Code limits the amounts that a contributor may give to a candidate for a City Council position for a primary, general or special election. Generally, a contributor other than a large political committee may not give more than \$1,500 to a candidate for a City Council position for a primary, general or special election, while a large political committee may not give more than \$5,000 to a candidate for City Council for a primary, general or special election. Chapter 2.13 contains certain other rules that may affect the amounts that an individual contributor may give. Please read Chapter 2.13 before making a contribution to my campaign.
